

# AOM Reports Tutorial

The group progress report is available on every group's profile under the progress tab.

All other reports must be created (run) using the following steps:

- Go to your user profile page
- Click groups in the snapshot section in the right-hand column
- Click group reports
- The reporting interface will appear in a new window

Except for the group progress report, all reports can be viewed on-screen or downloaded as a CSV file.
